

BEING WELL COMMUNICATIONS

SEMINARS

Dr. Verna Hunt, BSc, DC, ND, teaching hands-on seminars.

SEMINAR 2 **The Head & Neck:** *What can keep the head and body connected?*

People with head and neck symptoms suffer with dysfunctional physiology, often with few therapy options that offer normalization and return to homeostasis. Manual therapies can promote improved functionality to assist in resolution of causative factors.

DATE:

February 3, 2018 • 8:15 a.m. – 5:00 p.m.

LOCATION:

Viriditas Herbal Products, Ltd.

2775 Dundas St. West, Suite 101, Toronto, Ontario

FEES:

One person: \$199.00 + HST • Two people: \$300.00 + HST

Eligible participants are licensed practitioners for hands-on therapies:

ND • DC • RMT

TO REGISTER, FILL OUT THE FORM AND SEND TO:

verna@beingwellcommunications.com

Space is limited to 15 participants, so register ASAP.
