# LETTERS FROM TRC HEALTHCARE:

ADVICE ON THE LATEST MED THERAPY PRACTICE-CHANGING TRENDS TO KEEP YOU INFORMED AND SAVE YOU TIME

## FAQS

### What are *Letters* from TRC Healthcare?

Timely, relevant medication advisory resources and med CE/CME sources, written and curated specifically for individual healthcare professional roles, to keep you updated on current and emerging trends. There's a new issue of each *Letter* every month!

### What does it cost?

Our organization has purchased an organization-wide license - there is no charge to you.

### Why should I use it?

You'll get practical, concise, evidence-based recommendations backed by the latest clinical findings.

You'll find unbiased, unfiltered answers to your medication-related questions.

You'll get handy charts and resources for daily use in your care setting.

You'll have ready answers to the questions patients and other clinicians will ask today.

### Can I get CE?

Yes! Log in with your username and password and access quizzes in each month's issue, plus topic-specific courses.

### Where do I find it?

Online: Reference the provided Quick Start Guide.

Mobile phone or tablet: Find apps in the App Store® and Google Play™.

### What's my username?

You can set up your username the first time you access the site.

### If you've been given a temporary username or CE

**ID:** click [Login](#) at the top right of the page, then log in with your temporary username or CE ID and follow the prompts to choose your own username and password.

**If not:** click [Create Personal Account](#) at the top right of the page, then follow the prompts to create your personal account and choose your own username and password.

(If you're not sure whether you have a temporary username, refer to the Quick Start Guide that was provided.)

\*Login not needed for most content. If prompted to log in (e.g., to take CE), use your username and password.
