

## **Virtual Dispensary**

**Zero Investment.**

**Zero Inventory.**

**Zero Risk.**

**Grow your practice revenue today with up to 50% commission on patient orders.**

## Your DFH Virtual Dispensary

Designs for Health designed the free virtual dispensary with the busy professional in mind to create a passive revenue stream. Your patients have access to quality products while reducing the hassle of finding shelf space, managing orders and inventory, or shipping products. Your DFH Virtual Dispensary enables your patients to easily purchase directly from you, which enhances compliance, without risk of up-front investment while maximizing earnings.

### Work smarter, as we work harder for you!

Your DFH Virtual Dispensary offers unmatched benefits:

- 

Access to over 130 research-backed products with unmatched commissions
- 

Brand with your practice logo or DFH assets
- 

Offer personalized eScript with products or protocols instantly and boost your recommendations and your patient compliance
- 

Offer patients coupon codes, enroll in auto ship, and free shipping with orders over \$49\*
- 

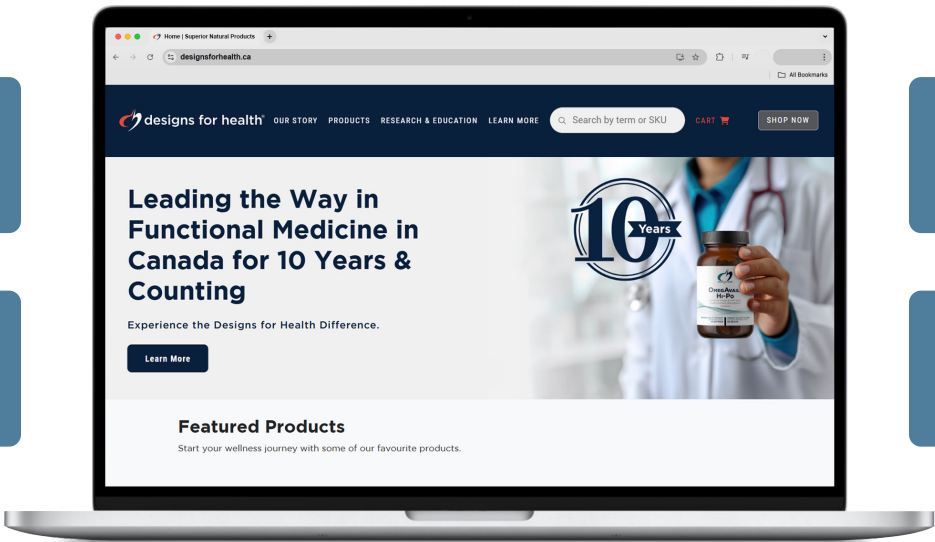

Add your DFH Virtual Dispensary link to your website, patient brochures, emails, and social posts
