IV Mentorship Workshops

for 2025

Fridays from 10am-2pm

March 7

June 6

September 12

December 5

This complementary workshop is available to naturopathic doctors of all skill levels and students and practitioners with intravenous access within scope.

These complementary mentorship workshops offer an opportunity to learn about IV therapy from a naturopathic, medical spa, regenerative medicine centre perspective, practice intravenous aptitude and problem solving, get a chance to meet Infusion Rx instructors and learn about the value of certification courses. Discuss and Practice:

- IV Vitamin and Mineral (Myer's Cocktails) Infusions
- IV Amino Acids
- IV Glutathione
- High Dose Vitamin C
- IV NAD+

Registration Free

Lunch is sponsored by Cyto-Matrix

These workshops will be held at #308-2630 Croydon Drive, Surrey, BC

These workshops qualify for BC Training Grant: <https://www.workbc.ca/find-loans-and-grants/industry-and-employers/bc-employer-training-grant>
